

# BASELIOS MATHEWS II COLLEGE OF ENGINEERING SASTHAMCOTTA

SUBMITTED

**Subject: Submission of recommendation based on stakeholder's feedback**

As you are aware, the ECE department has stakeholder feedback policy in place for continuous improvement of the system including curriculum planning and implementation.

The purpose of this policy is to provide a framework for obtaining, summarizing and documenting information on student and stakeholder perceptions of the quality and effectiveness of the college curriculum for use in program evaluation, accreditation and other academic quality assurance processes and activities.

The ECE department have a practise of taking feedback from stakeholders, namely students, teachers, parents, employers and alumni regularly.

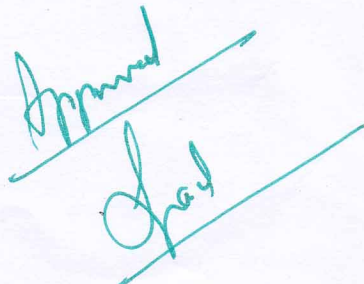

Sl No	Particulars	Recommendations based on summarized feedback	Addition of facilities for implementing recommendations
1	Soft skills	Placements to be increased.	Effective soft skill trainings to be provided.
2	ICT enabled learning	Provide web based teaching like video presentation	will provide more web based teaching like video presentation, student presentation using PPT for the benefit of the students.
3	Mentoring	Advisory system was found very effective in maintaining Student-Teacher relationship both in institutional and departmental level.	
4	Curriculum design	Load on the student is reduced based on the size of the syllabus by adopting remedial classes and teaching methodology.	
5	Industry interaction	Given industry related/technological advanced electives.	Also arranged expert talks to explore the technologies which are using in industrial field.
6	Lab/equipments	Addition of equipments/facilities to labs.	Lab components are provided according to the percentage of the course.
7	Extra-curricular activities	Extra-curricular activities like Sports, Arts Festival, Tech Fest, NSS, Workshops, Seminar, and Departmental Associations etc are very effectively conducted under the guidance of faculty members	

Above mentioned details are to be implemented for continuous improvement. You are hereby requested to approve the recommendations made by the department.

## Feedback Analysis Report-ECE

The ECE department has a policy of taking stake-holder feedback in place for continuous improvement of the system including curriculum planning and implementation.

### Academic Year 2015-16

#### Feedback by parents

The rate of learning experience gained by the wards through curriculum has been rated moderate. The activities organized by the college have been found satisfactory.

### Academic Year 2016-17

#### Feedback by students

The number of ICT/Make up class conducted in terms of their relevance to the specialization streams is rated moderate. Load on the student must be reduced by adopting remedial classes and teaching methodology based on the size of the syllabus.

### Academic Year 2017-18

#### Feedback by Alumni's

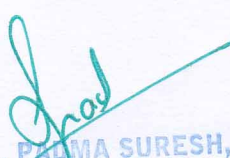

Effective soft skill trainings must be provided for better placements. Also arrange expert talks to explore the technologies which are using in industrial field.

### Academic Year 2018-19

#### Feedback by Alumni's

The prescribed curriculum is adequate for increasing their knowledge in the subject area. Extracurricular activities like arts, tech-fest and NSS are found satisfactory.
